

Maple Primary School Reception 2027 intake tours

Maple Primary School warmly invite prospective parents and carers looking for a Reception place for their child for the September 2027 intake to attend a tour of our school. The tours will give you the opportunity to see the school in action and to ask any questions.

To book yourself on to a tour, please email admin@maple.herts.sch.uk and let the Office team know which date and how many will be attending. We politely ask that only adults attend. There are limited places on each tour date.

Each tour will **start at 9.15am** for approximately **45 minutes**.
